Encourage a Love of Reading with Dr. Seuss!

In 1957, **Theodor Geisel**—known to the world as **Dr. Seuss**—took 236 words and wrote a book called *The Cat in the Hat.* The story was fun to read aloud, easy to read alone, and impossible to put down. It was the **first Beginner Book** and it changed the way children learn how to read, making it a joy—not a task. With over **120 million sold**, Beginner Books® have been, and remain, the **#1 early reader** series in America.

The **Dr. Seuss Beginner Books Boutique Display** is the best way to showcase Bright & Early Books® and Beginner Books® to children and their caretakers. These **timeless classics** have helped millions of children discover what great fun reading can be—**all by themselves**!

"The more that you read, the more things you will know. The more that you learn, the more places you'll go." —Dr. Seuss
