WATSON-GUPTILL SKETCHBOOKS

Featuring heavy kivar covers, white archival-quality paper that is neutral pH for non-yellowing, and a removable cover sticker, these classic, affordable sketchbooks are the perfect place for artists on the go to capture their work.

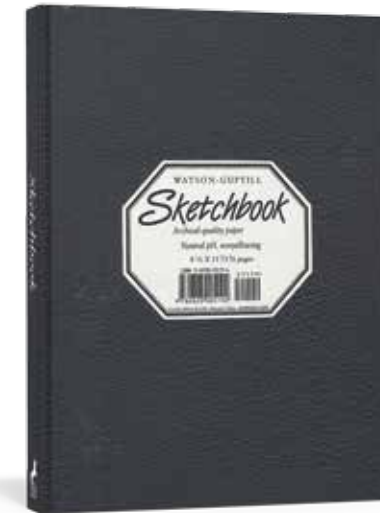

“I have been an Artist who keeps a sketchbook for over 20 years. I have tried every brand, quite literally. This is without a doubt the BEST sketchbook you can buy. I have found that this sketchbook has beautiful paper, not too toothy or textured, but the cover and binding are the really exquisite part.”

—Amazon.com reviewer

“One of, if not the best, sketch books I have ever owned! I’ve been buying sketch books since 1976 when I had my first Basic drawing class as an undergraduate. This sketchbook is durable, portable and is excellent for pen, pencil, charcoal or pastel. There are plenty of pages for drawing, note-taking and composition. I have found myself sometimes using two pages to make a complete composition because this books allows such compositions because it is more book-like. A great gift for a person interested in creating a graphic novel or anyone else who wants to draw every day; a most indispensable tool for an artist, illustrator or planner.”
