Becoming

In a life filled with meaning and accomplishment, Michelle Obama has emerged as one of the most iconic and compelling women of our era. As First Lady of the United States of America—the first African-American to serve in that role—she helped create the most welcoming and inclusive White House in history, while also establishing herself as a powerful advocate for women and girls in the U.S. and around the world, dramatically changing the ways that families pursue healthier and more active lives, and standing with her husband as he led America through some of its most harrowing moments.

MICHELLE ROBINSON OBAMA served as First Lady of the United States from 2009 to 2017. A graduate of Princeton University and Harvard Law School, Mrs. Obama started her career as an attorney at the Chicago law firm Sidley & Austin. She later worked in the Chicago mayor's office, at the University of Chicago, and at the University of Chicago Medical Center. Mrs. Obama also founded the Chicago chapter of Public Allies, an organization that prepares young people for careers in public service.

Beautifully Illustrated Children's Books

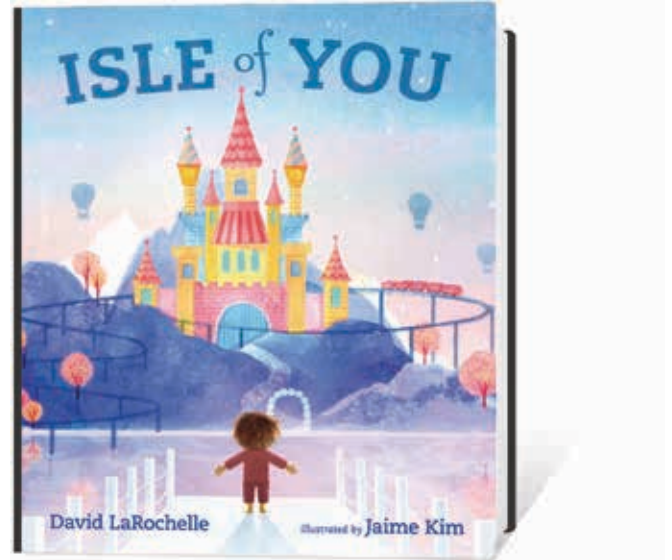

City

From the designer behind *Animals* comes another eye-catching oversize offering: thirty-two vivid images honoring the sights and staples of our cities.

After turning heads and delighting readers with her giant book of animals, Swedish children's designer Ingela P. Arrhenius turns her talents to the many attractions that make cities so special. Iconic urban images are featured on every page—from subways to skyscrapers, museums to cafes, fountains to sidewalk newsstands. Each bold, graphic image is set apart by a different typeface, transforming a whimsical celebration of cities into an artfully designed title for every bookshelf. 40 pages.

INGELA P. ARRHENIUS is the illustrator of *The World's Best Noses, Ears, and Eyes* by Helen Rundgren and the author-illustrator of *Animals*, *Where's the Owl?*, *Where's the Giraffe?*, *Where's the Ladybug?*, and *Where's the Hen?*

Isle of You

A deep breath and a little imagination are key in this gentle, beautifully illustrated story that will inspire little ones to lift their own spirits—and remember that they are loved.

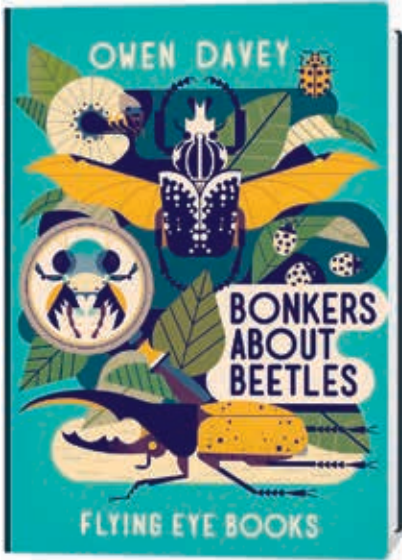

Some days are harder to get through than others, but when you're sad, or lonely, or angry, it helps to remember these words: the Isle of You. Take a moment to shake off your worries, then set sail to a land where your dreams can come true. Soar on the back of an eagle, hunt for treasure, watch dancing polar bears on roller skates—anything you can imagine is yours. Hopeful and dreamlike, Jaime Kim's paintings illuminate a way for young readers to visualize a brighter, happier mood in this compassionate story by David LaRochelle. 32 pages.

DAVID LAROCHELLE is the author of many books for young readers, including *Moo!* and *This Is NOT a Cat!*, both illustrated by Mike Wohnoutka, and *How Martha Saved Her Parents from Green Beans*, illustrated by Mark Fearing. David LaRochelle lives in Minnesota.
