# INSPIRE US

Welcome to the new hardcover Inspire Us series, a purely photographic celebration of communities designed to make the perfect gift or keepsake.

Each book in the series is:

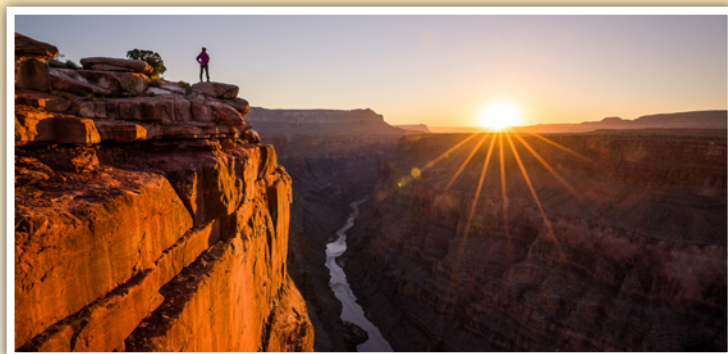

6" by 6"

Hardcover with matte finish

96 pages, Smyth sewn with silk bookmark

\$9.95

In selecting images for each title, Good Night Books uses three principal criteria. First, we look for artistically impactful images that express strong ideas, perspectives, and feelings. Second, each image must capture and convey something essential to the theme of the book, so that the collective result is a broad and rich exploration. Third, and most importantly, each image must have the potential to inspire. Ultimately, it's our goal for each book to inspire its audience to value, treasure, and enjoy their communities that much more.

The Good Night Books Series of board books has been designed and developed since 2005 to celebrate special places and themes in a way that young children, ages 0-5, can easily relate to and enjoy with their families. All the books are written and illustrated with a simplicity that captures the "essence" of each subject and place.

Every book is printed in bright colors on high-quality board to endure the attention of young children. All have six-inch by six-inch pages, making for large 12 x 6 open page spreads.

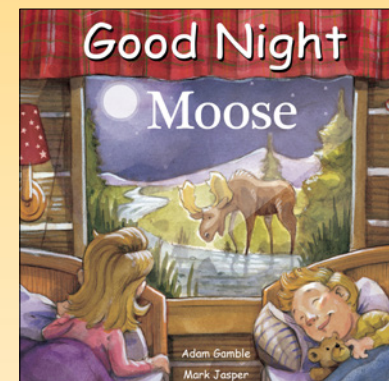

Each title takes its readers through the passage of a day ("good morning," "good afternoon," "good evening," and "good night"). And most titles, if set in a place with seasonality, also include the seasons of the year (spring, summer, autumn, and winter). Children are further introduced to the practice of using polite salutations and greetings, all while being lulled to a good night's sleep.
