Abuelas y Unicornios

Los jardines de la abuela

HILLARY CLINTON & CHELSEA CLINTON; illustrated by Carme Lemniscates

Abuela Dorothy compartió su amor por los jardines con su hija Hillary y con su nieta Chelsea. Les enseñó que los jardines son lugares mágicos de aprendizaje, asombrosos espacios para el descubrimiento, puntos de encuentro con la familia y bellas áreas donde compartir historias y celebrar acontecimientos especiales. Pero, sobre todo, les enseñó que en su jardín su amor crecía y florecía.

En esta inspiradora y reconfortante historia de madre-hija, Hillary Rodham Clinton y Chelsea Clinton se unen para mostrar a los lectores cómo compartir las cosas que amamos con las personas que queremos puede crear fuertes y eternos vínculos entre generaciones. *Full Color Illustrations, 40 pages.*

Conejitos y Autos

I Am a Bunny/Soy Un Conejito

OLE RISOM; Translations by Teresa Mlawer; Illustrated by Richard Scarry
Richard Scarry's beautiful paintings of a sweet bunny named Nicholas, paired with simple, engaging text, have thrilled readers for more than 55 years. Now, newly translated by Teresa Mlawer—one of the most respected figures in Hispanic publishing—this sturdy board book will delight young children who speak both English and Spanish or who want to learn either language. An adorable and thoughtful baby gift!

¡El muy querido clásico *I Am a Bunny* se encuentra ahora disponible en edición bilingüe español/inglés! Los tiernos dibujos de Nicolás, un adorable conejito, de la mano de Richard Scarry, junto con un texto sencillo pero atrayente, han logrado captar el interés de los pequeños lectores durante más de 55 años. Traducido recientemente por Teresa Mlawer, una de las figuras más respetadas del mundo editorial hispano, este libro de cartón encantará a los niños que hablan tanto inglés como español o que quieren aprender cualquiera de los dos idiomas. ¡Sin duda un regalo ideal para el bebé! *Full Color Illustrations, 26 pages.*

Si Yo Diseñara un Auto

CHRIS VAN DUSEN

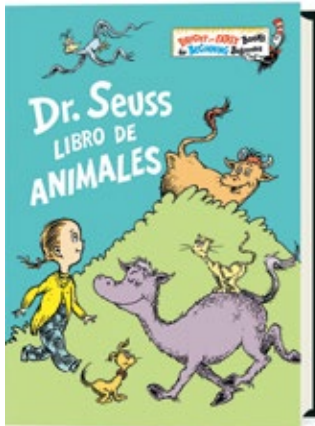

Si yo diseñara un auto,
¡sería totalmente novedoso!

Young Jack is giving an eye-opening tour of the car he'd like to build. There's a snack bar, a pool, and even a robot named Robert to act as chauffeur. With Jack's soaring imagination in the driver's seat, we're deep-sea diving one minute and flying high above traffic the next in this whimsical, tantalizing take on the car of the future. Illustrations packed with witty detail, bright colors, and chrome recall the fabulous fifties and an era of classic American automobiles. Infectious rhythm and clever invention make this wonderful read-aloud a launch pad for imaginative fun. *Full Color Illustrations, 40 pages.*

Libros del Dr. Seuss

Dr. Seuss Libro de animales

DR SEUSS

Featuring a mix of real animals and Seussian creatures, this super-simple rhymed riff about animals is both a concept book and a funny introduction to the world of Dr. Seuss. Illustrated with art from beloved Dr. Seuss books—including *One Fish Two Fish Red Fish Blue Fish*, *Mr. Brown Can Moo! Can You?*, and *Horton Hatches the Egg*—it teaches beginning readers to identify animals in the world around them and ones only found in classic books by Dr. Seuss! Nurture a love of reading—and of animals—with this great new concept book for beginning readers! *Full Color Illustrations, 36 pages.*

El pozo de Pascual

DR. SEUSS

In this classic picture book by Dr. Seuss, Marco—the young boy who imagined an extraordinary parade in the book *And to Think That I Saw It on Mulberry Street*—is fishing in McElligot's Pool. And despite being told that he'll never catch fish there, Marco imagines all the reasons why he might. The first Dr. Seuss title to feature full-color art on every other page, this optimistic and funny story features a fleet of fanciful sea creatures worth of any Seuss bestiary. Beloved by generations for its watercolor illustrations and positive message, *McElligot's Pool* is a perfect choice for readers of all ages. (People who like to go fishing will find it especially charming!) *Full Color Illustrations, 64 pages.*

Los Sneetches y otros cuentos

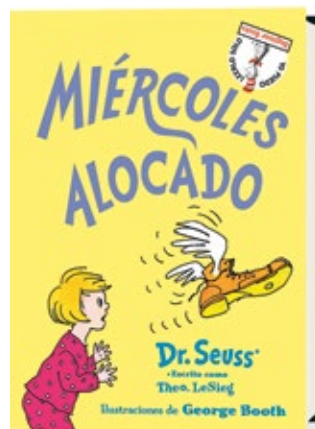

DR. SEUSS

*The Sneetches got really quite smart on that day,
The day they decided that Sneetches are Sneetches.
And no kind of Sneetch is the best of the beaches.*

The story of the Star-bellied Sneetches and their star-less friends is a perfect guide for kids growing up in today's multicultural world. This classic is joined by equally entertaining tales: "The Zax," a humorous take on the art of compromise; "Too Many Daves," which shows kids that sometimes standing out is better than blending in; and "What Was I Scared Of?," which demonstrates how empathy can transform a stranger into a friend.

In these four energetic stories, Dr. Seuss challenges the idea that we have to look the same or be the same to find common ground. Full of Dr. Seuss's signature rhymes and lively humor, this story collection is a must-have for any reader, young or old. *Full Color Illustrations, 72 pages.*

DR. SEUSS Writing as THEO. LESIEG; Illustrated by George Booth

From the moment the young star of *Wacky Wednesday* wakes up, it's clear: Today is no ordinary day. There's a shoe on the ceiling, a palm tree in the toilet, a worm chasing a bird—and much, much more! From a hole in the kitchen table to a green sun in the sky, children will love finding—and counting—the progressively wackier mistakes on each page of this clever easy reader. Illustrated by renowned New Yorker cartoonist George Booth, this is a wildly funny book that will sharpen a child's ability to observe while they learn to read.

Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning. *Full Color Illustrations, 48 pages.*

Para Soñadores

Las verdades que sostenemos

(Edición para lectores jóvenes)

KAMALA HARRIS

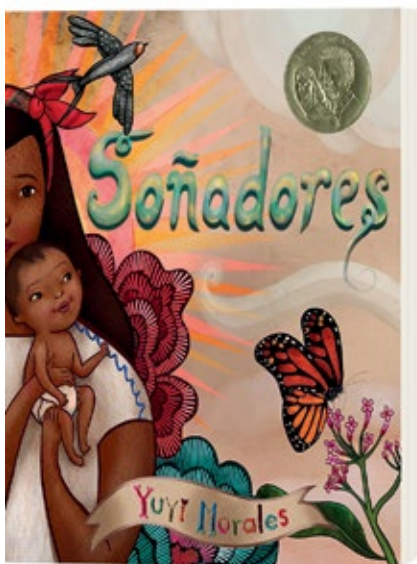

As the first woman, African American, and South Asian American to become attorney general of California, and the second black woman ever elected to the U.S. Senate, Kamala Harris has blazed trails on her path to the national stage. But how did she achieve her goals? What values and influences guided and inspired her along the way?

In this young readers edition of Senator Harris's memoir, we learn about the impact that Kamala's family and community had on her life, and see what led Senator Harris to discover her own sense of self and purpose. *The Truths We Hold* is a biographical ode to the values she holds most dear—those of community, equality, and justice—all of which helped shape her choices on her path to the Senate. An inspiring and empowering read, this book challenges readers to use their own values to guide their decisions and become leaders in their own lives. 336 pages.

Soñadores

Written and Illustrated by YUYI MORALES

Soñadores is about making a home in a new place. Yuyi and her son Kelly's passage was not easy, and Yuyi did not speak any English at the time. But together, they found an unexpected, unbelievable place: the public library. There, book by book, they untangled the language of this strange new land, and learned to make their home within it.

Soñadores is a celebration of what migrants bring with them when they leave their homes. It's a story about family. And it's a story to remind us that we are all dreamers, bringing our own gifts wherever we roam. Beautiful and powerful at any time but given particular urgency as the status of our own Dreamers becomes uncertain, this is a story that is both topical and timeless.

The lyrical text is followed by a brief autobiographical essay about Yuyi's own experience, a list of books that inspired her (and still do), and a description of the beautiful images, textures, and mementos she used to create this book. It has been translated by the acclaimed Teresa Mlawer. 40 pages.
