Available Summer 2023

DINOSAUR CLUB

"My two kids are dinosaur fanatics and I have almost every book on dinosaurs but I struggled to find appropriate chapter books on the subject. Dinosaur Club: The T-Rex Attack is great: adventurous without being too scary, fast paced, a good balance of fun and education, and a nice budding friendship as a sub plot... Definitely a book dino lovers should add to their collection as they progress from simpler books to chapter books."—NetGalley Reviewer
