on the next page!

## It's the greatest WHODUNIT of our time!

From **Shannon Wheeler**, Eisner Award-winning *New Yorker* cartoonist (*Too Much Coffee Man*, *Sh\*t My President Says*, *God is Disappointed in You*), and veteran journalist **Steve Duin** (*The Oregonian*, *Comics: Between the Panels*, *Oil and Water*) comes *The Mueller Report: Graphic Novel*—a comprehensive, digestible graphic novel version of the most important law enforcement document written in our lifetime.

With Shannon Wheeler's signature satirical edge, *The Mueller Report: Graphic Novel* emulates the style of classic private detective yarns, complete with a villainous rogues' gallery, nail-biting cliffhangers, and a lone lawman standing proud against the wave of crime.

Details from the report are brought to life in every excruciating detail by Wheeler and Duin, including the infamous Trump Tower Meeting of 2016, the questionable contacts, misleading statements, and unreported engagements. If it's in the report, it's in the graphic novel.

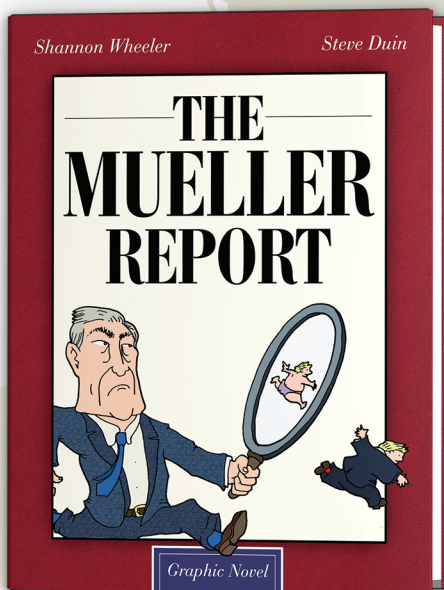

You'll laugh. You'll cry. You may tweet in anger. But most importantly you will be reading the report for yourself!

**SHANNON WHEELER** won awards and contributes to various publications. He created *Too Much Coffee Man*. His website is [tmcm.com](http://tmcm.com). He embarrasses himself on Twitter as @MuchCoffee. *Sh\*t My President Says* is his recent book of illustrated Trump tweets. His previous book, *God Is Disappointed in You* (with Mark Russell) is available anywhere religious-humor books are sold.

**STEVE DUIN** is *The Oregonian's* Metro columnist. He is the author/co-author of six books, including *Comics: Between the Panels*, a history of comics; *Father Time*, a collection of his columns on family and fatherhood; and a graphic novel, *Oil and Water*.

As he faces fearsome creatures and finds unlikely allies, can he conquer the mysterious figure who has taken their hearts to save the one he loves?

# Welcome to the world of Stan Sakai's *Usagi Yojimbo*

Follow the all-new adventures of rabbit ronin Miyamoto Usagi as he wanders Edo-period Japan on his warrior's journey.

Presented in color for the first time, the ongoing adventures of Stan Sakai's seminal and long running series are now being published by IDW. This first volume of all-new material continues the saga of *Usagi Yojimbo* with the three-part "Bunraku," as Usagi becomes embroiled in a puppet drama where the players are not quite what they seem! Then, Usagi goes back to his roots as a yojimbo (bodyguard) when he is hired by Lady Mura, a famous writer, to keep her safe on her perilous journey to her father's home. Also includes two key standalone tales, starting with Usagi's very first story "The Goblin of Adachigara," retold in an extended and expanded format and wrapping up with a wild adventure featuring the fan favorite bounty hunter Gen, as Usagi joins him in the recovery of the stolen heirloom—the sword of the Higashi Clan.

## Darwyn Cooke's *New York Times* bestselling and Multi-Eisner Award-Winning series!

Parker, Richard Stark's classic anti-hero, returns to New York to settle the score with his wife and partner in crime after they betray him in a heist gone terribly wrong. After evening the field and reclaiming his prize, the Outfit decides to do some score settling of their own... and learn much too late that when you push a man like Parker, it had better be all the way to the grave.

Darwyn Cooke's first two *Parker* books, *The Hunter* and *The Outfit*, are collected in a tremendous, special, oversized hardcover edition—with an additional 65-pages of content—encased in a beautiful slipcase! Also contains the short stories *The Man With the Getaway Face* and *The Seventh*.

Perfect for fans of crime mysteries and suspense.

## Hugo Pratt's masterful world of *Corto Maltese*

Originally serialized beginning in 1967, this book is universally acknowledged as Hugo Pratt's masterpiece, in which he introduces Corto Maltese to the world.

The action begins in November 1913 in the South Seas as feelings of the Great War were already looming but the romantic ideals of the nineteenth century were still alive. The pace of the narrative and the drawings are very modern and Pratt permeates the adventure with an extraordinary atmosphere of the great outdoors. The story captures the imagination of the reader from the opening pages with a tight, compelling storyline that can be interpreted on different levels.

Celebrate this milestone in the history of graphic novels, winner of the world's first-ever "Best Graphic Novel" award, taking the prize in 1976 at the Angoulême Festival.
