Oracle Queens

The Hip-Hop Queens Oracle Deck

A 52-Card Deck and Guidebook: Oracle Cards

Written by KATHY IANDOLI; Illustrations by MONICA AHANONU

These female creators have a profound potency that makes them the perfect symbols for an oracle deck to help you address a question or set your intention for the day. The fifty-two artists included—from Aaliyah, Salt-N-Pepa, Queen Latifah, and Lil' Kim to Beyoncé, Missy Elliott, Cardi B, and Nicki Minaj—are hip-hop's oracles, now immortalized from tape deck to card deck. Veteran music journalist and certified oracle reader Kathy Iandoli matched each queen with an appropriate symbol, based on her decades of experience interviewing (and befriending) iconic artists, past and present. Rendered in the bold, colorful, pop art-style portraiture of artist Monica Ahanonu on sturdy, oversized cards with rounded corners, these DJs, MCs, and singers will guide you the same way they've blazed trails from the underground to the mainstream since day one. *52 Full Color Illustrations, 52 pages.*

And hey: if your future, as ordained by these cards, ain't looking so bright – just turn on one of your favorite movies she's been in and lose yourself in her RAW talent. 50 Fresh as F*ck Designs

JULIE JACKSON

Don't freak out. Don't make this about you. May your life be as amazing as you pretend it is on Facebook. What fresh hell is this? Not today, Satan. *Super Subversive Cross Stitch* is here to provide crafters with the snarky, cheeky inspo they desperately crave. The book features 50 patterns – 23 brand-new designs and 27 fan favorites – along with easy-to-follow instructions for the beginner and fonts and designs for the adventurous crafter looking to customize their creations. It juxtaposes a traditional, dare we say “fusty,” craft into a modern, relevant art form. It's the latest offering in the Subversive Cross Stitch brand, beloved by legions of DIYers. Less messy than graffiti, *Super Subversive Cross Stitch* allows crafters to adorn walls with political pith and irreverent twists on classic quotes (“I think, therefore I drink,” “Let the good times be gin”). *Photographs & Charts Throughout, 128 pages.*

Murakami T

The T-Shirts I Love

HARUKI MURAKAMI

Considered “the world’s most popular cult novelist” (The Guardian), Haruki Murakami has written books that have galvanized millions around the world. Many of his fans know about his 10,000-vinyl-record collection, and his obsession with running, but few have heard about a more intimate, and perhaps more unique, passion: his T-shirt-collecting habit. In *Murakami T*, the famously reclusive novelist shows us his T-shirts – including gems from the Springsteen on Broadway show in NYC, to the Beach Boys concert in Honolulu, to the shirt that inspired the beloved short story “Tony Takitani.” Accompanied by short, frank essays that have been translated into English for the first time, these photographs reveal much about Murakami’s multifaceted and wonderfully eccentric persona. *109 Full Color Illustrations in Text, 192 pages.*

Necessary Laughter

Your Guide to Not Getting Murdered in a Quaint English Village

MAUREEN JOHNSON and JAY COOPER

In the England of murder mysteries and TV detectives, no destination is deadlier than a quaint country village, and you never know you're in a murder village until it's too late. No attraction or local character is safe – whether in the pub for a pint, or on the manicured grounds of the local estate for a shooting party, bodies can turn up anywhere! Danger lurks around every cobblestone corner. If you are foolish enough to make the trip, at least be prepared. Brought to life with dozens of Gorey-esque drawings by illustrator Jay Cooper and peppered with allusions to classic crime series and unmistakably British murder lore, *Your Guide to Not Getting Murdered in a Quaint English Village* gives you the tools you need to avoid the same fate, should you find yourself in a suspiciously cozy English village (or simply dream of going). Good luck, and whatever you do, avoid the vicar. 50 Illustrations, 128 pages.

A Big Stink

A Tale of Ardor and Odor

EDWARD H. KAFKA-GELBRECHT, Illustrations by SOPHIA VINCENT GUY

The marriage of fart humor and wordplay is a potent source of pleasure probably as old as language itself. So says Edward H. Kafka-Gelbrecht, who has spent a lifetime studying the art of the unclaimed fart, from the courtroom to the convent. Now, in this illustrated tour de force, he airs a more personal story about a quiet elevator ride that is suddenly shattered by a not-so-noble gas. *A Big Stink's* beguiling blend of high-brow and lowbrow humor will delight oversharing families and word lovers alike. Illustrator Sophia Vincent Guy ramps up the fun with elegantly detailed illustrations sprinkled with Easter eggs. Sure to reduce even the most solemn adults to irrepressible giggles, *A Big Stink* is a ripping good read and a breath of foul air. 47 Illustrations, 112 pages.
