Greenlights: Your Journal, Your Journey

With prompts and bumpersticker quotes from the #1 *New York Times* bestseller *Greenlights*

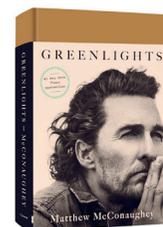

From the Academy Award-winning actor, best-selling author of *Greenlights*, and journaler for 35 years, a guided journal filled with pithy quotes, adages, outlaw wisdom, and advice on how to live with greater satisfaction. Matthew has been writing in journals since he was 15 years old. His adventures have taken him from Texas to Australia, from Mali to Peru—and his journals have chronicled them all. Who could be a better guide for seekers setting out on the road to understanding their lives inside and out, past, present, and future?

MATTHEW McCONAUGHEY is a married man, a father of three children, and a loyal son and brother. He considers himself a storyteller by occupation, believes it's okay to have a beer on the way to the temple, feels better with a day's sweat on him, and is an aspiring orchestral conductor.

For Laughs

This Book Is for You

I Hope You Find It Mildly Uplifting

Beloved artist Worry Lines shares a sweetly funny and deeply relatable story about worry, hope, and chocolate chip cookies. Worry Lines has captured hearts around the world by posting daily drawings on Instagram. In this book, Worry Lines interweaves these fan-favorites into an entirely new story about the making of the book itself. Charting the creative process from its anxiety-riddled beginning to its (hopefully) hopeful end, *This Book Is for You* is a charming and honest portrait of worry.

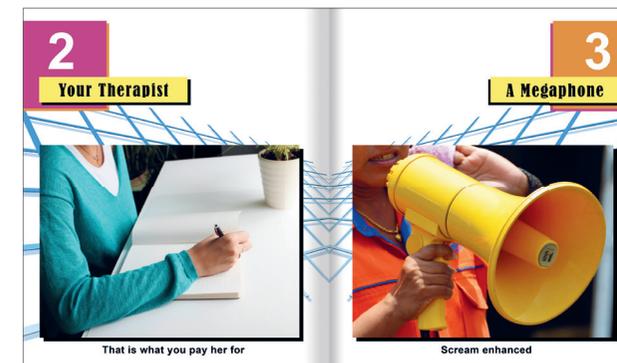

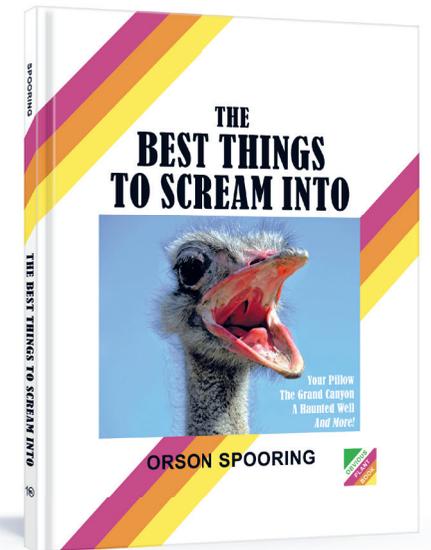

Fans have described **WORRY LINES's** drawings as “oddly comforting,” “wonderfully pure,” and “too relatable.” *Vulture* described them as “tender, gentle, and funny.” *Vogue* went with “uncomplicated” and *Preview* opted for “cute” and “wobbly.” If Worry Lines had to pick two words to describe themselves, they’d go with “nervous” and “potato.”
