# Puzzle Leveled Readers

Children will read the story, solve the puzzle, and then go back and do it again!

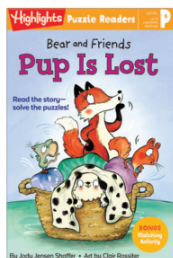

Signature puzzles provide a scaffolded approach that progresses in complexity in both story and puzzling levels as kids move up from one level to the next. All books are leveled with both Lexile and Fountas & Pinnell Text Level Gradient systems, making them ready to use in classrooms, in school libraries, and at home.

- Level P—Let's Discover Reading: Hidden letters in each illustration throughout the book help develop letter-identification skills, with a bonus matching activity to reinforce vocabulary.
- Level 1—Let's Explore Reading: Visual logic puzzles add interactivity, with a bonus activity to reinforce hands-on learning.
- Level 2—Let's Read, Read, Read: Hidden objects and mazes prompt visual learning, with bonus knock-knock jokes and a Hidden Pictures picture dictionary at the end that reinforce re-reading.

What Adults Can Learn From 75 Years of Letters and Conversations with Kids

For Adults

A unique look inside American childhood is brought to life through conversations between Highlights magazine and its young readers. This touching compilation serves as a reminder for adults to lean in and listen to children, to make sure our kids know that they matter and what they think matters.

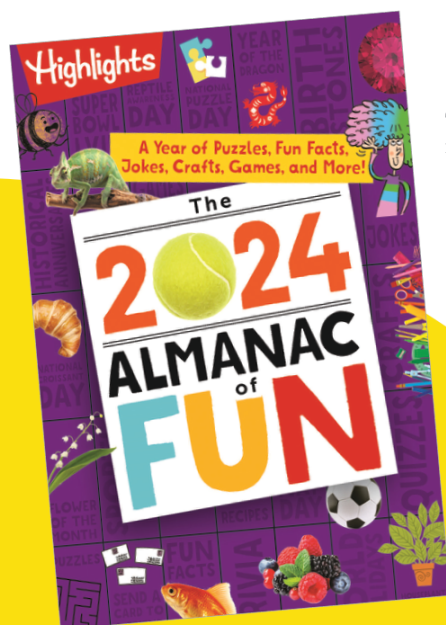

Tens of thousands of children write to Highlights magazine each year, sharing their hopes and dreams, worries, and concerns. From the beginning, the editors at Highlights have answered every child individually. This remarkable collection that includes letters, emails, drawings, and poems reveals an intimate and inspiring 75-year conversation between America's children and its leading children's magazine.
