Taj Mahal

The exciting, sprawling Taj Mahal tells a love story that goes far beyond centuries. Through the amazingly beautiful park, past the building's facade, following the river's edge, you find your way to the depths of the white marbles. These socks are reminiscent of the patterns of its intricate walls and marble decorations.

BEFORE YOU START

The chart is read from bottom to top and from right to left. You can use needles a size smaller for the rib sections to keep the rib from sagging. If you want to make these socks for a larger calf size, change to 3.5mm (US 4) or 4mm (US 6) needles for the Fair Isle sections. This will make the leg wide enough for a 40cm (15 3/4) calf measurement.

Little Mermaid

Now, we spend time exploring Copenhagen, where the Little Mermaid swims across to the friendly Danish capital. In their playful Fair Isle socks, you find the magic of the sea and sparkling waves, with the song of dancing mermaids on the waves.
