

Celebrate twenty years of Despereaux with a splendid anniversary edition—including a bonus original short story from KATE DiCAMILLO and a new piece of art by TIMOTHY BASIL ERING.

Welcome to the story of Despereaux Tilling, a mouse who is in love with music, stories, and a princess named Pea. It is also the story of a rat called Roscuro, who lives in the darkness and covets a world filled with light. And it is the story of Miggery Sow, a slow-witted serving girl who harbors a simple, impossible wish. These three characters are about to embark on a journey that will lead them down into a horrible dungeon, up into a glittering castle, and, ultimately, into one another's lives. And what happens then? As Kate DiCamillo would say: Reader, it is your destiny to find out.

The global popularity of this story has endured for over two decades, as it has now been published in thirty languages and has over six million copies in print worldwide. For this beautifully designed twentieth-anniversary edition, the author has written a brand-new short story, "The Tapestry at Norendy," inspired by the world of Despereaux and presented with a new black-and-white illustration by Timothy Basil Ering.
