Nourish

Simple Recipes to Empower Your Body and Feed Your Soul:
A Healthy Lifestyle Cookbook
GISELE BÜNDCHEN

Superstar model and philanthropist Gisele Bündchen believes wellness begins with food. At home she chooses lean, healthy proteins and nutrient-rich vegetables; she also believes in eating with flexibility (pizza night with the kids!). This means recipes that are gluten free and rely on body-fueling ingredients like almond flour, avocado oil, and dates.

In her cookbook, Gisele provides thoughtful guidance on how to create a routine filled with positive intention, nourishing food, and gratitude to support a healthy lifestyle.

From breaking cycles to journaling and setting intentions, minimizing waste, meal planning, and preparing healthy meals for your kids, *Nourish* is as much about living with mindfulness as it is about cooking. *256 pages*

Big Moe's Big Book of BBQ

75 Recipes From Brisket and Ribs to Cornbread and Mac and Cheese
MOE CASON

Having competed in more than 250 national and international barbecue competitions, "Big Moe" Cason is the country's undisputed king of brisket and pitmaster extraordinaire. In his debut cookbook, he reveals the secrets of creating amazing flavor with fire and smoke with 75 family-favorite recipes.

The 75 mouth-watering recipes gathered in these beautifully photographed pages showcase time-tested techniques and recipes, from smoked bone-in Tomahawk steaks to a 14-hour turkey brine. Savor a secret-ingredient mac-n-cheese that wowed Steve Harvey, a generations-old family recipe for sweet-and-savory cornbread, and perfectly seasoned collard greens. Cason offers expert guidance on different types of smokers and grills, filling the pantry with time-tested spice rubs and marinades, selecting the perfect cut of meat, and more. *240 pages*

Mangia!

Pizza Night

Deliciously Doable Recipes for Pizza and Salad
ALEXANDRA STAFFORD

Making consistently great pizza from scratch isn't complicated. Whether cooking pizza in your kitchen oven, a tabletop pizza oven, or an outdoor wood-burning oven, it all starts with the dough.

In *Pizza Night*, Alexandra Stafford presents four simple doughs—thin-crust, Neapolitanish, pan, and gluten-free (plus sourdough variations)—and easy techniques for perfecting your crust. From there you can make a variety of pizzas, including Detroit-Style Pizza for a Crowd, Classic Margherita Pizza, and Winter White Pizza with Garlic and Herbs. You can make it the same day or ahead; make it extra cheesy and decadent or go the healthy road—pizza-making easily adapts to busy schedules and tastes and requires little in special equipment. 256 pages

At My Italian Table

Family Recipes from My Cucina to Yours: A Cookbook
LAURA VITALE with RACHEL HOLTZMAN

In Laura Vitale's first cookbook she shared recipes from her popular YouTube cooking channel. Now, in *At My Italian Table*, she turns her focus to Italy, where she was born and lived until she was a young woman, and where her Nonna's cooking made a lasting imprint. When she was homesick as a teenager Laura found that chatting with Nonna on the phone and then recreating her signature dishes, like Creamy Polenta with Frizzled Mushrooms or Fagiola a Zuppa over Bread, helped her find comfort in her new home. Today she makes dishes like Spaghetti Aglio e Olio di Nonna, Cacio e Pepe Arancini, and Roasted Chicken and Potatoes with Herby Lemon Salsa for her daughter and husband as well as for her fans.

Laura's deep love of Italian cuisine shines strong through this collection of delightfully homey and highly appealing recipes. 272 pages
