The story of Coco Chanel in her own words, as told by her to Paul Morand, in an elegant paperback edition

Perfect for fans of the luxurious and exceptional world of Chanel, and of Daniele Bott's landmark book *Chanel: Collections and Creations*

There is the truth, but there is always another truth that lives behind it.

Told in her own words and only coming to light a year after her death, *The Allure of Chanel* presents Morand's notes from their intimate conversations at the end of World War II about the men in her life, her philosophy of fashion, and the story behind the legendary Chanel No. 5 perfume.
