NATIONAL GEOGRAPHIC WORLD FROM ABOVE

Gain a new perspective on this world and all that is in it in this gorgeous volume showcasing fascinating images, all taken from a perspective on high by some of the world's most innovative photographers.

Jeffrey Kerby is a prize-winning photographer and ecologist. His photographs have appeared in *National Geographic* magazine, including work on Arctic sea ice, monkeys in Ethiopia, and gazelles in Mongolia. He specializes in photography projects at the intersection of science, natural history, and conservation.
