15 Myths on Homelessness

TR | 9780807006979 | \$17.00

For readers of Andrea Elliott and Matthew Desmond, the former CEO of the Coalition for the Homeless breaks through the highly destructive misinformation surrounding our homeless neighbors

ON SALE 11.12.2024

A nationwide look from New York to Detroit, Philly to L.A., and from rural areas such as Cumberland County, Pennsylvania

Debunks 15 widespread misconceptions, including:

- that the problem is inevitable (in fact, Housing First approaches have shown great success)
- that "handouts" cause homelessness (in fact, the primary causes are flat wages and high rent)
- that homeless people need to prove that they're "ready" to receive aid (in fact, enforcing hurdles is far more expensive and less effective than Housing First).
