

GARDENING

**GARDEN
YOUR WAY
WITH DK.**

A WORD FROM OUR PUBLISHER.

At DK, we're proud to be one of the leading publishers of gardening books; from bestselling and beautifully designed books, to innovative, category killing reference. We bring together the fastest-growing voices in gardening to share their expertise across a wide range of topics, for the weekend hobbyists, enthusiastic learners, and the green-fingered pros alike. DK truly has something to offer every kind of gardener.

We are committed to growing the next generation of gardening authors—from our partnership with the RHS to new and emerging talent. In 2024, our global family of authoritative authors and partners bring you money-saving tips, advice on growing your own in any space (even on a balcony), urban and sustainable gardening projects, tiny terrarium worlds... along with all of the essential tips and advice for year-round gardening.

Ruth O'Rourke, Editorial Manager

3rd in Vegetables,
3rd in Houseplants,
and 4th in Techniques categories**

MEET THE AUTHORS.

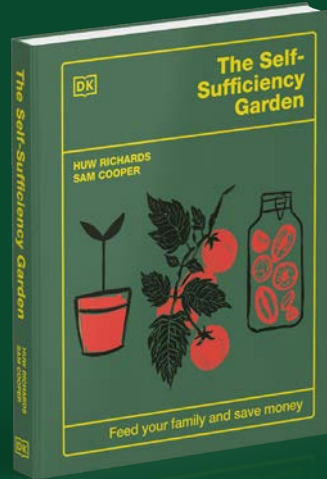

HUW RICHARDS

Huw Richards believes that vegetable gardening doesn't need to be expensive or time-consuming. Huw started growing food at the age of 3, helping his dad grow organic produce. At age 12, he was inspired to create a YouTube channel and has since empowered millions of people to experience the joys of homegrown food.

The Self-Sufficiency Garden

Eat homegrown food all year round and save money on the weekly shop by following a simple plan for self-sufficiency.

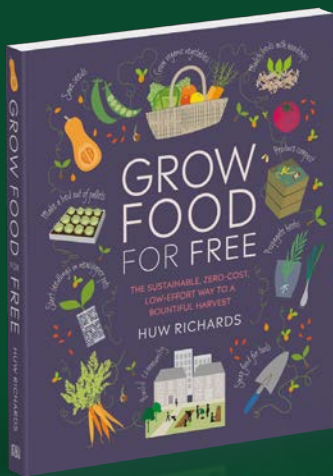

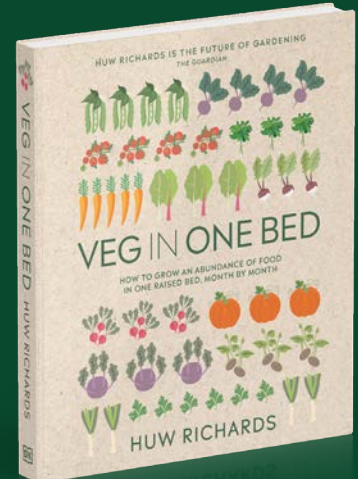

OUT 5/14/2024
9780744092394 / 6 11/16 x 8 9/16" / 224pp / HC
eBook available / **\$21.99 US / \$28.99 CAN**

Veg in One Bed

Readers can grow vegetables and herbs all year round in just one raised bed by following Huw's simple, structured plan to enjoy homegrown vegetables – it's that easy.
