Herby Feta and Yogurt Dip With Sumac

Yummy stuff

Makes 4 servings (about 1 1/2 cups)

1 cup full-fat Greek yogurt (about 180 grams)

1 tablespoon lemon juice

3 tablespoons chopped fresh parsley, plus more for serving

2 tablespoons chopped fresh mint, plus more for serving

2 tablespoons finely diced scallions, plus more for serving

2 teaspoons dried sumac, plus more for serving

Salt, to taste

Plus dips or crudités, for serving

This tangy and creamy dip is the perfect top for a warm summer evening outside, and it is a nice condiment for grilled meats and vegetables. Fresh parsley helps brighten up the dip, and sumac gives it another layer of flavor and provides pop of color. Cheese is like in those vacuum-packed, if you've got the option. Feta is a bit in salt content, so you won't use a whole amount of salt here, just taste the dip and add if you think it needs it.

Step 1: Add the yogurt, feta and lemon juice to a bowl. Pulse the mixture a few times, about 2 minutes. Add the parsley, scallions and sumac, and pulse a few times to combine.

Step 2: Transfer the dip to a bowl, cover and refrigerate for at least 1 hour before serving. Step 3: Just before serving, give the dip a good stir and add salt to taste, if necessary. Top the dip with a drizzle of olive oil and sprinkle with additional parsley, mint, scallions and sumac. Serve with chips or crudités. Store leftovers, covered, in the fridge for up to 3 days.

Herby Feta and Yogurt Dip With Sumac

Meat Makers

Dairy-Free

Cool + Creamy

Bacon-Jalapeño Dip

Makes 1 (8-inch) pie plate or skillet

10 strips thick-cut bacon (or 8 strips thick-cut)

1/2 cup drained jarred jalapeños (diced)

1 (8-ounce) package cream cheese

1/2 cup mayonnaise

1/2 cup sour cream

This warm dip is a less complicated version of jalapeño poppers—hot peppers filled with shredded Cheddar and cream cheese, wrapped in bacon, and baked until they're gooey in the centers and crispy on the outside. Instead of halving and seedling fresh jalapeños, though, you chop up jarred slices, and instead of wrapping each filled pepper with a slice of bacon, you crisp the bacon all at once and mix it with the other ingredients in a baking dish or skillet for an all-in-one delicious bite.

Step 1: Preheat the oven to 350°F.

Step 2: Place a large cast-iron or roasting skillet over medium heat and cook the bacon in batches until crispy (7 to 10 minutes per batch). Drain on paper towels, then chop the bacon into small pieces. Chop the jalapeños, too.

Step 3: In a large bowl, using an electric mixer, beat the cream cheese until light and fluffy. Add the mayonnaise, sour cream, garlic powder, onion powder, salt, and a few pinches of black pepper and beat until smooth. Use a wooden spoon or rubber spatula to mix in the shredded cheese, all but 2 tablespoons of the chopped bacon, and all but 1 tablespoon of the chopped jalapeños.

Step 4: Scoop the mixture into a 9-inch pie plate or 8-inch cast-iron skillet or baking dish, and sprinkle with the remaining chopped bacon and jalapeños. Bake until bubbling (20 to 30 minutes). Then, if needed, switch the oven to broil and cook the dip for a few minutes just until the top is nicely browned. Remove the dip from the oven, let cool slightly, and serve with baguette slices and/or sturdy potato chips or tortilla chips.

The World of Jane Austen:
A Conversation Puzzle

500-Piece Puzzle

This unique puzzle combines the fun of a jigsaw with the intrigue of a county ball as you read the clues and figure out the logic to build the final image.

Featuring beloved characters from Lizzy Bennet and Mr. Darcy to Fanny Price and Edmund Bertram, *The World of Jane Austen: A Conversation Puzzle* invites you to get lost in the world of Jane Austen and build a whole new story as you piece it together.

Assemble the scenes to reveal the conversations. Then read the dialogue to solve the puzzle. Each conversation gives you clues to the correct image. The pieces can be arranged in any order so you have to read the puzzle to solve it.

DUNGEONS & DRAGONS launched the great tradition of roleplaying games in 1974 with an unprecedented mix of adventure and strategy, dice-rolling, and storytelling. Wizards of the Coast continues to honor that tradition, bringing to market a diverse range of D&D game and entertainment experiences and influencing numerous writers, directors, and game designers by tapping into an innate human need to gather with friends and tell an exciting story together.
