both beautiful and cursed.”

NEW DSTLRY GRAPHIC NOVEL DEBUT from the Scoff Hoffman of Scissor Sisters fame & Eisner-nominated Alberto Ponticelli!

New York City, over two decades into the future, has been devastated by crime, ongoing storms, radiation from a terrorist incident in Times Square and the genetic mutations caused by a life-saving "cure".

After a series of murders rip through the city's brothels, an escort named Vin Young, who cosplays as the Brothers Grimm's Snow White-and is one of the generation of deformed victims-pursues the killer, or killers, reluctantly joining forces with Jarrod Hannover, the lone cop assigned to the case.

The two eventually arrive at a biotech megacorp developing a cellular metal called Warm Fusion-a pioneering technology meant to replace prosthetics limbs-and soon confront the sociopathic scientist Nicholas Fleischer, his monstrous alter-ego, Mr. Barnaby, and the hideous monster that he's been secretly developing.
