

## How It Works: Recycling Truck

by Dee Costello; illustrated by David Semple

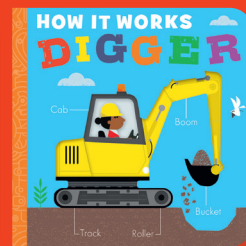

Children can learn all about how a recycling truck does its job with this interactive board book that features layered die-cut pages throughout.

Simple callouts to the various parts of the truck, such as "lifting arm," "steering wheel," and "tank," invite young readers to see how each part helps in the recycling process. Packed with fun facts and accessible information, this first introduction to recycling trucks is perfect for curious toddlers.
