The Illustrated Odyssey

A Modern Retelling of the Homeric Epic

A lush, illustrated prose edition of Homer's
The Odyssey, translated by American classical
scholar Barry Powell and featuring beautiful,
woodcut-style artwork.

Book 1

Oh Muse, help me sing the tale of
Odysseus, man of resourcefulness,
courage and wisdom, and his epic
journey home from Troy!

The war was finally over. The city of Troy was burned to the ground, its warriors dead or celled, its women enslaved. The Greek heroes – those who survived the ten-year siege – had returned home, some to lives of peace, some to violence and tragedy.

All Greece's heroes, that is, except one: Odysseus. He was still trapped on an island far from his homeland, held captive by the nymph Calypso in his palace high on snow-capped Mount Olympos. Zeus, the of the gods, was pondering the fates of mortals. Zeus's daughter Athena, came to him to plead Odysseus's case.

"Mighty father, Odysseus still languishes on a distant island," Calypso tries to make him her husband. He yearns for his home, if and for his faithful wife Penelope. Poor Odysseus – he has always so attentive in his sacrifices to you, yet he has been wandering for 10 years any other Greek warrior."

"Ah, Odysseus," mused Zeus. "I have not forgotten him. I bear him no ill will. But he enraged my brother Poseidon who

decide how best to kill these men – with cunning, or quite brazenly. You are not a child anymore. Be valiant like your father! But now I must go down to my ship because my men are waiting. Do what I say!"

"Thank you for the advice, Menelaus," Telemachus answered. "You've spoken as a father to his son. I will do what you say. But come, take a warm bath and eat your fill. Then you may go with good cheer to your ship. And I will give you a gift, something to remember me by, that will bind us together as friends."

"Thank you, my son, but I must not delay. As for the gift, I will pick it up on the way back we will be friends forever, and I'll have a gift for you."

So spoke Athena, and then she flew upward like a bird. Telemachus was astounded, even though he had suspected that his visitor was no ordinary being. Filled with confidence, he got up to mingle with the suitors.

The men were silent for once, spellbound by Phemius's melodious song telling of the disasters the befell many of the Greeks on their journeys home from Troy. Penelope, the daughter of Icarus, heard the lovely music and came down the stairway from her chamber accompanied by two handmaids. She stood by the pillar near the hallway, covered her face with a veil and, with tears in her eyes, spoke:

"Phemius, you know the songs of noble men and the great deeds they do, and your tales make them great. Sing one of these songs, please, and let these men sit silently and drink their wine. Stop this song about horrible Troy! I see my husband's face before me even as I speak."

But Telemachus interrupted: "Mother, for the sake of all that is good, let the poor man sing what song he wants! It's not his fault! It's Zeus, I dare say, who gives each man what he deserves. You can't blame the singer for the evil fate of the Achaeans. This song is his most recent, and so he likes it. Just listen and bear up. Your Odysseus wasn't the only man who lost his happy homecoming. Now go to your room, Mother, take
