THE STOWAWAY

By Griffin McElroy

In the farthest reaches of a war-torn galaxy, an abandoned military transport cruiser barrels toward the event horizon of a supermassive black hole. Only two living passengers remain on board who can divert the ship from certain spaghettification: the last of the Astrals, an ancient order of psychic space warriors, and a young stowaway tucked in a pocket of the ship's hull. Unfortunately for the reader—you are the latter.

It's your turn to sit at the table with your friendly neighborhood Game Master Griffin McElroy as he guides you down paths both hilarious and harrowing. Will you solve the mystery of the missing crew, evade deadly robot guards, and find a way off the ship before it reaches its final destination? Or will your intergalactic voyage end here?
