Praise for the Princess in Black series

“The early chapter book series *The Princess in Black* likely needs no introduction. It’s one of the most popular chapter book series, and if you haven’t read them yet, I can’t recommend them highly enough.”

—*Book Riot on The Princess in Black and the Kitty Catastrophe*

“This charmingly told book has . . . a great message: You can’t judge a princess by the color of her gown.”

—*The New York Times Book Review on The Princess in Black*

★ “This entertaining series centers a lovable, empowered female character; this is a princess who can save herself and still be frilly.”

—*School Library Journal (starred review) on The Princess in Black and the Prince in Pink*
