## A BOLD GIFT FOR A BRAVE RESET

Discover “I’m Not Doing That Anymore”

In a cultural moment shaped by boundary-setting, burnout recovery, and intentional living, our new activity book *I’m Not Doing That Anymore* offers a liberating place to embrace your most authentic self. Equal parts fierce and fun, it features vibrant visuals and powerful personal statements for readers to complete, each designed to lead to newfound freedom. Examples include:

Starting now, I respect myself way too much to continue \_\_\_\_\_.

It turns out, I’m done pretending to \_\_\_\_\_.

I will no longer \_\_\_\_\_ just to make other people comfortable.

*“It’s my hope that people feel a sense of relief as they uncover pieces of themselves, and that they find a lot of power, energy, and clarity in this deeper understanding of their boundaries and needs.”*

—AUTHOR M.H. CLARK—

## I'M NOT DOING THAT ANYMORE

*A DIY Boundaries Manifesto*

More than a book, this is your permission to let go of what no longer serves you and boldly step into what does. Designed as a fill-in-the-blanks experience, it offers short, punchy prompts to give readers space to claim their truth—and courage to live by it. Artful pages become personal declarations that can also be torn out and displayed like posters. Hardcover features iridescent foil.

GROWING TOGETHER

Week 25

Dear little one,  
Every day I'm amazed at how much you're growing. From what I've read, you're about the size of a daisy flower right now. I love knowing that your ears are sharp enough to hear my voice. Sometimes I wonder if you recognize my laugh, or the songs I hum before bed. I can feel your kicks getting stronger, and each one reminds me that you're getting ready for the big world outside. I want to give you a wave where laughter is frequent, hugs are abundant, and you know that you are never alone. We're counting the weeks until we get to meet you. For now, keep growing strong and know that you are already so loved—more than words could ever express.

Love, Mommy
