

THE A KIDS BOOK ABOUT

series helps to kickstart important, challenging, and empowering conversations for kids and their grown-ups through beautiful and thought-provoking pages. A Kids Co. was born with a mission to empower a generation of kids through diverse storytelling.

A Kids Co. founder, Jelani Memory, is an African American entrepreneur, author, and creative thinker based in Portland, Oregon, where he lives with his wife and six children. In 2018, he wrote *A Kids Book About Racism* to start an honest conversation with his family. That single book sparked a movement and grew into A Kids Co., a publishing company built on one simple belief: kids are ready.

Today, Jelani leads A Kids Co. as founder and publisher, creating books and media that empower a generation through diverse, inclusive storytelling.
