### INSTRUCTIONS

**Tip:** Start with the first project, which is the easiest to make. It will help you to get used to the needle and thread, and to the basic stitches used in crewel embroidery.

**Tip:** Use a sharp needle and good quality thread. This will make your work easier and more enjoyable.

**Tip:** Use a hoop to hold the fabric taut. This will make it easier to see your work and to keep it from fraying.

**Tip:** Use a water-soluble fabric marker to mark your work. This will help you to see where you are stitching and to keep your work neat.

### INSTRUCTIONS

**Sequence of work:** Start with the first project, which is the easiest to make. It will help you to get used to the needle and thread, and to the basic stitches used in crewel embroidery.

**Tip:** Use a sharp needle and good quality thread. This will make your work easier and more enjoyable.

**Tip:** Use a hoop to hold the fabric taut. This will make it easier to see your work and to keep it from fraying.
